Cyberspace Administration of China/ Office of the Central Cyberspace Affairs Commission

国家互联网信息办公室/中共中央网络安全和信息化委员会办公室

Address: 225 Chaoyangmennei Da Jie, Beijing, China, 100010 | **Phone:** (010)88050686 | **Website:** http://www.cac.gov.cn/

The Office of the Central Cyberspace Affairs Commission, Chaired by Xi Jinping is the representative office of the Central Leading Commission for Cyberspace Affairs. Its specific responsibilities are assumed by the Cyberspace Administration of China (CAC), an organization that was originally created in 2011 to tighten the management of the Internet in China and now serves as China's central Internet regulator and censor. As a result of China's institutional reform on March 2018, the original Cyberspace Affairs Leading Group was transformed into the Central Cyberspace Affairs Commission. Meanwhile, the National Computer Network Emergency Response Technical Team/Coordination Center of China was transferred to CAC from the management of the Ministry of Industry and Information Technology (MIIT).
