

## **Reggie Lai**

**Vice President  
General Manager China  
TE Connectivity**

Reggie Lai joined in TE Connectivity (“TE”) in May 2012 and currently serves as Vice President and General Manager China. Lai co-chairs TE’s China Business Council and represents the company on significant matters to both the Chinese government and broader business community in China. In addition, Lai leads the company’s government affairs and corporate responsibility efforts in Asia.

Lai has over twenty years of professional experience in China mainland, Hong Kong, and Wales. Lai joined in TE from APCO Worldwide, where he advised multinational companies on matters of public affairs, policy advocacy and market entries. Lai also served for the Welsh Assembly Government and ALSTOM in the earlier part of his career.

Lai is a board director of the US Information Technology Organization. Lai also serves as vice chair of American Chamber of Commerce in Shanghai’s Suzhou Chapter and was the founding chair of the chamber’s Government Affairs Committee.

Lai holds a bachelor’s degree of Thermodynamics from Tongji University in Shanghai and a Master of Business Administration from the University of Durham in England.
