* We encourage sponsors to submit the names and full contact information of up to 4 US and/or PRC public figures to be invited by the USCBC on the [VIP Nomination Form](#). The USCBC will do its utmost to seat at least one of these individuals at your table. We will evaluate multiple requests for the same individual based on sponsorship level and date of receipt of registration and nomination form. The pool of VIPs available for seating at corporate tables will likely be reduced this year due to the current public health situation. **In accordance with the ethics rules of the US Government and the US Congress, companies may not invite employees of those institutions directly.** Invitations to a widely attended event must be issued by the USCBC as the host. Also, **please refrain from inviting PRC diplomats directly.** Thank you for your understanding and cooperation.
