

# Ministry of Industry and Information Technology (MIIT)

## 工业和信息化部

**Address:** 13 Xi Chang'an Jie, Beijing 100804 | **Phone:** 86-10-6601-4249 | **Website:** [www.miit.gov.cn](http://www.miit.gov.cn)

The Ministry of Industry and Information Technology (MIIT) is responsible for regulating and managing China's telecommunications and software sectors, as well as the electronics and information technology manufacturing industries. Its functions also include project planning, industry development, and regulatory management of China's radio and television (including cable) transmission networks, as well as satellite telecom networks. MIIT oversees China's defense industry.

**Minister,  
Party Secretary**

**Xiao Yaqing**  
肖亚庆
