

The China Business Review

July-August 1980

Special Exhibitions Issue

美中貿易

Do the Buyers in Beijing, Tianjin, Kunming, Guangzhou & Shenyang Know Your Company & Products?

The American Engineering & Industry Series lets them know.

If you participate, you can reach the:

Volume I Oil & Gas Market

Volume II Building & Construction Market

Volume III Metalworking & Metal Producing Market

Volume IV Mining Market

Volume V Agricultural, Forestry, Food Processing & Fisheries Market

THIS SERIES:

- Creates awareness of your company and product
- Expands your company's trade potential
- Will be used for import evaluation purposes

EACH VOLUME:

- Covers a specific U.S. Industry
- Translated by industry specialists in the PRC
- Printed in the PRC
- 25,000 copies distributed by the CCPIT

The publication of these volumes is endorsed by THE NATIONAL COUNCIL FOR US-CHINA TRADE. The National Council for US-China Trade, a non-profit organization, has no financial interest in this project.
