WHAT NEXT?

DHL-SINOTRANS

Your Best Link To China

There's one international air express company that has more people in more places than any other to get your shipping from wherever you are to wherever you need it to be.

DHL-SINOTRANS.

We were the first joint venture air express company in China. And we're committed to keeping our service

the best — in China and around the world — DHL is your No. 1 choice.

With fast and convenient pick-up and door-to-door service, DHL-SINOTRANS gets all your shipping there. From documents to packages to air freight, we'll get it there.

On time.

All the time.
