## DISTRIBUTION & MARKETING

Before we won “Best foreign bank in China”.

After we won “Best foreign bank in China”.

We are delighted that *Euromoney* named us “Best foreign bank in China”. But, we are determined not to let it go to our heads. It is our focus on our customers that led to this accolade, and we have no intention of shifting that priority. So, proud as we are that *Euromoney* also named us “Best bank in Asia”, “Best bank in Hong Kong”, “Best foreign bank in Malaysia and Singapore”, “Best trade-finance bank in Asia”, “Best sub-custodian in Asia” and “Best treasury in Asia” (HSBC Markets), we will never waver from the standards of professionalism and service that you, our customer, have come to expect. After all, you are the judge we really want to impress.
